Education

McMaster University, PhD in Geography 9/2024 – Present
School of Earth, Environment & Society Hamilton, Ontario, Canada
Supervisor: [Dr. Darren Scott](#)

University of Toronto Scarborough, HBA 9/2020 – 6/2024
Major in Economics for Management Studies Toronto, Ontario, Canada
Minor in Geographic Information Science & Applied Statistics
Certificate in Computational Social Science
Graduated with High Distinction
Cumulative GPA: 3.98 out of 4

Honours & Awards

Kanaroglou Memorial Graduate Scholarship 2025, 2026
C\$1,500 scholarship awarded to a graduate student specializing in transportation research within the School of Earth, Environment & Society

Esri Canada Center of Excellence Student of the Year 2025
C\$750 scholarship awarded to students who excel in GIS and demonstrate the mission and vision of the center

Ontario Graduate Scholarship 2025
C\$15,000 total merit-based scholarship to a graduate student for three consecutive terms jointly funded by the Government of Ontario and McMaster University

Graduation Prize in Management and Economics 2024
C\$250 award for the top student graduating from the Department of Management and Economics

Governor General's Silver Medal 2024
Highest academic standing upon graduation from a bachelor's degree program
There are three silver medals awarded at the University of Toronto

University of Toronto Excellence Awards 2023, 2024
C\$7,500 scholarship for undergraduate students to conduct summer research projects

Department of Human Geography Outstanding Academic Performance Award 2024

Highest graduating cumulative GPA in the Minor in Geographic Information Systems

Vincent Bladen In-course Scholarships 2023

C\$300 scholarship for exceptional academic achievement

Sotherton Wadhams In-course Scholar 2023

C\$1,500 scholarship for high academic standing

University of Toronto Scarborough Dean's List 2021, 2022, 2023

Annual GPA equal to or greater than 3.5 in the previous academic year

University of Toronto Scholar 2021

C\$1,500 scholarship for top 20 students in the previous academic year

Professional Experience

Research Assistant, *TransLAB, McMaster University* 9/2024 – Present

Project 1: Hamilton Shared Micromobility (Bike Share and Shared E-scooter) Data

Project 2: "Future Mobility in Canada Survey"

Project 3: "Transportation Tomorrow Survey"

Supervised by: [Dr. Darren Scott](#)

Research Assistant, *Suburban Mobilities Cluster, University of Toronto Scarborough* 11/2022 – 8/2024

Project 1: "Newcomers' Accessibility to Agencies in Scarborough"

Project 2: "Metrolinx Service for OSAP Students at UTSC"

Project 3: "Towards sustainable neighborhoods? Tensions and heterogeneous transport priorities among suburban residents"

Project 4: "Evaluating the transit accessibility and equity of the Bus Rapid Transit (BRT) system: The case of Dar-es-Salaam, Tanzania"

Project 5: "Toronto Cycling Survey"

Project 6: "Neighbourhood Satisfaction in Scarborough: A Discrete Choice Analysis with Spatial Effects"

Project 7: "Cycling evolution in Toronto (1999-2023)"

Supervised by: [Dr. Steven Farber](#), [Dr. Andre Cire](#), and [Dr. Ignacio Tiznado-Aitken](#)

Teaching Experience

ENVSOCY 4GA3 Applied Spatial Statistics, *McMaster University* Winter 2025 & 2026

Teaching Assistant for [Dr. Antonio Paez](#) (Winter 2025) and Bruno Dos Santos (Winter 2026)

Conducted weekly lab sessions for two groups of approximately 24 students each

Held office hours and provided additional support via email

Graded assignments, midterm and final reflections

<i>ENVSOCY 4GS3</i> GIS Programming, <i>McMaster University</i>	Fall 2025
Teaching Assistant for Dr. Darren Scott Graded assignments and responded to student inquiries via email	
<i>ENVSOCY 4GT3</i> Web GIS, <i>McMaster University</i>	Fall 2025
Teaching Assistant for Patrick DeLuca Graded assignments	
<i>ENVSOCY 3MA3</i> Research Methods, <i>McMaster University</i>	March 14, 2025
Guest Lecture: Introduction to Quantitative Analysis in Research	
<i>ENVSOCY 2GI3</i> Geographic Information Systems, <i>McMaster University</i>	Fall 2024
Teaching Assistant for Dr. Darren Scott Conducted weekly lab sessions for two groups of approximately 25 students each Invigilated examinations and graded assignments and tests	
<i>GGRA30H3</i> Geographic Information Systems (GIS) and Empirical Reasoning, <i>University of Toronto Scarborough</i>	Summer 2023
Teaching Assistant for Dr. Shaila Jamal Conducted weekly lab sessions for around 30 students Held weekly office hours to provide additional support Invigilated examinations and graded assignments and tests
